FUNDS

March 3, 2011

Dear Investor,

On behalf of the Independent Review Committee for the VentureLink Innovation Fund Inc., I am pleased to present the *Report to Securityholders for the Year Ended December 31, 2010*.

Our principal function is to consider situations referred to us by VL Advisors Inc. (the Manager of the Funds) in which there may be a conflict of interest between the Manager and the Securityholders. Depending on the nature of the potential conflict of interest we may either recommend what action the Manager should take to achieve a fair and reasonable result for the funds or, in certain circumstances, we have the authority to withhold approval of the Manager's proposed action. Securityholders wishing to see the precise Rules and Policies of the committee are referred to National Instrument 81-107, Chapter 5, available at www.osc.on.gov.ca. The general principle behind NI 81-107 is that the Manager must place the interests of the Fund above its own corporate interests and the interest of its officers and employees and must otherwise manage the fund in a fair and prudent manner.

The Independent Review Committee was established in November 2007 in accordance the mandate set out by the Canadian securities regulators. All three members of the committee are independent of the Manager and its affiliates. All publicly offered investment funds in Canada must have an Investment Review Committee.

Our report to securityholders will be done on an annual basis, and will be posted to the www.venturelinkfunds.com website and filed with SEDAR, www.sedar.com.

Robert B. Falconer

where applicable, its approval. The Committee considers conflicts of interest matters referred to it and makes recommendations back to the Manager on whether or not the Committee believes the proposed action of the Manager will achieve a fair and reasonable result for the Fund.
